- ✔ Strong fusion-welded frame and sashes offer excellent weather resistance.
- ✔ Chambered vinyl profiles increase strength and thermal efficiency.
- ✔ Balance track cover provides a finished look and shields against air infiltration.
- ✔ Dual vent latches limit the amount a window can be opened for safer ventilation.
- ✔ SolarZone® ThermD 3/4" insulated glass unit with double- strength All-Season Low-E glass, argon gas, and the Intercept® Stainless Steel Spacer provides year-round efficiency.
- ✔ Overlapping, interlocking meeting rail tightly seals sashes against wind and rain.
- ✔ The stainless-steel constant force 3/4" coil spring balance system raises and lowers the sash with ease.
- ✔ Unique pivot system maintains ideal sash alignment for smooth operation.
- ✔ A 5° triple-step, sloped sill effectively moves water and air away from the window.
