Product Performance Information:

U-Factor, Solar Heat Gain Coefficient (SHGC), and Visible Light Transmittance (VLT) are certified by the National Fenestration Rating Council (NFRC).

Manufacturer stipulates that these ratings conform to applicable NFRC procedures for determining whole product performance. NFRC ratings are determined for a fixed set of environmental conditions and a specific product size. NFRC does not recommend any products and does not warrant the suitability of any product for any specific use.

Design Pressure (DP), Performance Class, and Performance Grade (PG) are certified by a third party organization, in many cases the Window and Door Manufacturers Association (WDMA). The certification requires the performance of at least one product of the product line to be tested in accordance with the applicable performance standards and verified by an independent party. The certification indicates that the product(s) of the product line passed the applicable tests. The certification does not apply to mulled and/or product combinations unless noted. Actual product results will vary and change over the products life.

For more performance information along with information on Florida Product Approval System (FPAS) Number and Texas Dept. of Insurance (TDI) number go to www.pella.com/performance.

Including during the construction period, casement windows should never be left open and unlocked for prolong periods or during high wind conditions to avoid sash detachment/damage.

Terms & Conditions**All Orders**

This quote is valid for 30 days and subject to repricing after that.

I am aware that the products sold by Pella South Texas are made to order and my order is made specifically for my home / project, including aesthetics and sizing. I understand that there will be no changes allowed on this order after products are ordered, and orders cannot be cancelled or returned. I have reviewed each line on the contract with the sales representative and clearly understand the hinging, venting, count of openings, grilles, sizing, and color are correct, with all products being viewed from the exterior.

To activate order, please sign and return this copy. All orders are subject to acceptance by Pella South Texas.

Pella South Texas makes no guarantees as to lead times and is not responsible for any delays, including those from manufacturers. Any lead time or delivery date discussions during the sales process are estimates based on the best information available at the time and should only be used as such. No discounts will be given for delays, including manufacturing.

Installed Orders (New Full Units)

For replacement projects, Pella South Texas makes no guarantees that existing window and door treatments and accessories (such as blinds, shutters, shades, storm doors, storm windows, etc.) will fit with your new Pella windows and doors.

For replacement projects, Pella South Texas makes no guarantees that existing interior (e.g. drywall, paint, wallpaper, etc.) or exterior materials (e.g. siding, stucco, EIFS, brick, etc.) will be undamaged during the installation process. While great care will be taken with our customers' homes, there are times where existing materials will not allow a window or door to be removed and reinstalled without additional work being required by the homeowner subsequent to installation.

Payment Terms:

Unless financing through Pella South Texas offered financing programs, payment of 50% is required prior to ordering any products (unless payment terms have been previously given)

The balance is due upon substantial completion. Substantial completion on each item is achieved when that line item has been installed and is operational. Partial invoices may occur. Items such as missing or broken parts and service adjustments are covered by warranty and do not affect the status of your project from being substantially complete.

Partial installations will be due for that part of the project upon substantial completion of that partial install.

The final payment must be Paid in Full on the last day of Substantial Completion. In the event that any part of your order was ordered incorrectly, has damage, or is incomplete, you may temporarily withhold the following from your final payment:

For items not able to be installed or needing a full unit reorder, the price due for that item, including installation cost, will not be due.

For items substantially complete but needing parts under warranty, you may withhold:

\$700 for damaged or broken sash/glass

\$300 for missing or damaged screen, hardware or similar product

Full payment is expected at the time missing or damaged units are installed or replaced.

Late payments beyond the Payment Terms defined above will be charged 1.5% of the outstanding balance per month. If Pella South Texas is required to employ an attorney to collect the amounts owed to it by Customer, Pella South Texas will be entitled to collect all attorney's fees, costs, and expenses it incurs.

Non-Installed Orders (New Full Units)

Pella South Texas makes no guarantees that existing window and door treatments and accessories (such as blinds, shutters, shades, storm doors, storm windows, etc.) will fit with your new Pella windows and doors.

Remaining account balance must be Paid in Full at delivery, unless credit terms have been extended by Pella South Texas.

Purchaser agrees to take receipt of all materials within 30 days of either original requested need by date or actual date of the entire order's arrival at Pella South Texas' warehouse, whichever is later. After 30 days, the remaining account balance is Due in Full. After 90 days, storage fees of 1.5% of the contracted price will be assessed per month. All storage fees are required to be Paid in Full prior to product delivery. Screens and hardware are exceptions and may be stored up to 24 months without penalty. If screens and hardware are not requested within 24 months after final product delivery, they are subject to disposal and would need to be repurchased and reordered when needed.

Call a minimum of five days in advance to schedule delivery. Customer is expected to supply help to unload unless a 2-man delivery is on the contract.

Any product damage must be reported to Pella South Texas within 48 hours of product receipt.

Late payments beyond the Payment Terms defined above will be charged 1.5% of the outstanding balance per month. If Pella South Texas is required to employ an attorney to collect the amounts owed to it by Customer, Pella South Texas will be entitled to collect all attorney's fees, costs, and expenses it incurs.
