Subject: Material Compliance for Renovation at 511 Labor Commons

Dear Office of Historic Preservation,

We are writing to inform you of our commitment to preserving the historical integrity of the property located at 511 Labor Commons, San Antonio, TX.

In our upcoming renovation project, we will utilize materials that closely match the original construction in both appearance and composition. This includes sourcing reclaimed wood, historically accurate paint colors, and period-appropriate fixtures to ensure consistency with the property's original style. Our approach aligns with the guidelines set forth by the City of San Antonio's Office of Historic Preservation and the Secretary of the Interior's Standards for the Treatment of Historic Properties.

We understand the importance of maintaining the architectural character of historic structures and are dedicated to adhering to all regulations and standards applicable to this project.

Please let us know if any additional documentation or approvals are required before commencing work.

Sincerely,
Susan Jaime
